## About the College

The college had been established in 1999, propelled by the need for an institution of higher learning in the area. The philanthropic contributions of local residents and educationists enabled the construction of a one storey edifice. This humble beginning has eventually led to the development of separate multi-storeyed buildings for office, academic, vocational and residential purposes. In the initial years, it was guided by Dr. Ramchandra Mondal as a Teacher-in-Charge till Dr. Asim Kumar Manna took over as the Principal in January 2001. Under his leadership, the college has blossomed into a proficient workshop of man-making. It has not only fostered the study of humanities but also diversified into science subjects like Aquaculture, Zoology, Botany and Anthropology. It has focused on a holistic view of education and hence has fruitfully nurtured departments of Music and Physical Education. The College has developed an active Vocational section, teaching courses on Computer, Electronics and Healthcare. It has also contributed in grooming the youth as patriotic citizens and has consistently engendered participants for the National Cadet Corps and the National Service Scheme. After Dr. Manna's retirement, Dr. Gautam Dandapat took over responsibilities as the Teacher-in-Charge. Recently, Dr. Suvroma Gupta has assumed the responsibilities of Principal and under her leadership, the College aims to extend its wings towards achieving greater academic excellence.

## Our Vision

- The College envisions to provide a favourable ambience for outcome-based learning in light of NEP 2020 involving multidisciplinary/ inter-institutional activities.
- This would emphasise on imbibing inquisitiveness among students and develop skill-based abilities so that they may contribute fruitfully to Nation Building.
- The College provides access to Higher Education for the students of this remote area and prepare them for various professional vocations.
- The College envisions the idea “Unity in Diversity”, thereby inculcating values of social harmony and equity to encourage universal brotherhood taking into consideration local places and practices of socio-historical significance.

## Our Mission

The college is focused to develop itself as a repository of knowledge about the local area and wants to serve as a favourable platform for explorations in local history, culture, ecology, literary and social practices.

- Providing holistic education, inclusive of Indian Knowledge Systems, leading to the development of integrated individuals.
- To foster a sense of social responsibility, discipline and tolerance among the students through promoting gender equality and ensure eradication of discrimination against women and marginalized gender identities.
- To provide education which would make students skillful and prepare for the job market.
- To spread awareness about ecological changes and challenges and encourages ecological preservation and sanitation drives.
- To Provide higher quality of education by blending educational technology with contemporary teaching. It endeavors to build a bridge between teachers and the local community, including parents.

## Our Future Plan

The Prime focus of our college will be the successful implementation of NEP-based curriculum (CCFUP) through offering quality education, adequate infrastructure and Career opportunities.

- Develop more infrastructure for ICT based classrooms and laboratory.
- Offer more Skill-based Professional courses and training Programme.
- Provide opportunities for career development and placement through Career Counselling Cell.
- Foster innovative ideas and motivation for startup ideas through IIC.
- Collaboration with other institutions for academic and research excellence, professional courses, extension activities etc.
