5. Define Archaeological Anthropology.
6. Define Applied Anthropology.
7. Define Action Anthropology.
8. Define Pre-historic Anthropology.
9. Define Proto-historic Anthropology.
10. What is Field work?

Mark-8

1. Aim and scope of Biological Anthropology.
2. Aim and scope of Social Culture Anthropology.
3. Aim and scope of Archeological Anthropology.
4. Relationship of Anthropology with other disciplines.

Mark-10

1. Describe the uniqueness of Anthropology.
2. Development of Anthropology in India.
3. Describe the sub-branches of Anthropology.
4. Describe the British school of Anthropology.
5. Describe the American school of Anthropology.

Khejuri College

Department of Anthropology

Paper – DSC-1B(CC2) (Biological Anthropology)

2<sup>nd</sup> Semester, B. Sc General, CBCS

MARK-2

1. What is cell?
2. What is mitosis?
3. What is meiosis?
4. Define Oogenesis.
5. Define Spermatogenesis.
6. What is Evolution?
7. Define Human Karyotype.
8. Define Primate (mivert).

Mark-10

1. Write on any one Evolutionary Theory —
  - a. Lamarkism
  - b. Darwinism
  - c. Synthetic Theory
2. Characteristic features of order primates.
3. Causes and Manifestation of Numerical Chromosomal abberations.
4. Write on features about Earlier hominid/Neanderthal/Modern Homo Sapiens.
5. Write a short note on Mendelian Inheritance in Man.
6. Discuss about the evolutionary changes in Human Skeleton and Morphology.

Khejuri College

Department of Anthropology

Paper – DSC-1C(CC-3) (Archeological Anthropology)

3<sup>rd</sup> semester, B. Sc General, CBCS

Mark-2

1. Define Archeological Anthropology.
2. What is Geological Time Scale?
3. Villafranchian fauna.
4. Define Lithic Culture.
5. Define Dating Method.
6. Definition of Core tools.
7. Definition of Flake tools.
8. Definition of Glacial age.
9. Definition of Pluvial age.

Mark-10

1. Relation of Archeology with other discipline.
2. What are the methods of studying Archeological Anthropology?
3. Difference between absolute and Relative Dating.
4. Write a short note on any one of following —
  - a. Paleolithic Culture
  - b. Mesolithic Culture
  - c. Neolithic Culture
