Activity 2 : Thalassemia Awareness Camp

Thalassemia, an inherited (i.e., passed from parents to children through genes) blood disorder caused when the body doesn't make enough of a protein called hemoglobin. When there isn't enough hemoglobin, the body's red blood cells don't function properly and they last shorter periods of time, so there are fewer healthy red blood cells traveling in the bloodstream. Red blood cells carry oxygen to all the cells of the body. Oxygen is a sort of food that cells use to function. When there are not enough healthy red blood cells, there is also not enough oxygen delivered to all the other cells of the body, which may cause a person to feel tired, weak or short of breath. This is a condition called anemia. People with thalassemia may have mild or severe anemia. Severe anemia can damage organs and lead to death.

Khejuri College Alumni Association, dedicated in the welfare of the society organized Thalassemia Awareness camp on 29th November, 2022 in the college campus. **The programme was inaugurated by Dr. Asim Kumar Manna & total Number of Participants: 262.**

Activity 3 : Reunion Celebration

The Khejuri College Alumni Association had organised reunion on 24th December, 2022. As we all know it is an opportunity to mix and mingle with others. The old members are introduced to the new comers and they exchange their views in a free-spirited way. As the college grew, the members keep on increasing. New enrolment in the Alumni Association farther extends the Khejuri College Family. Principal Dr. Asim Kumar Manna, Dr. Gautam Dandapat (Co-ordinator, IQAC), Dr. Ramchandra Mondal (Founder Teacher-in-Charge), Mr. Parthasarathi Das (Journalist and Researcher) and Mr. Suman Bakra (Journalist)

Activity-5 : Publication By Alumni

INTRODUCTION

The Alumni Association came into existence on 11th of December 2000 when the first batch of Khejuri College took the oath. It was the strong friendship and brotherhood which motivated them to think about forming the Association. So that the passout students could be attached with the old friends in general and with the college in specific.

Khejuri College was established on 01/09/1999, with the help of college management and students interest the formation of the Association became possible. Khejuri College under Vidyasagar University is the first college which is having Ex-student Association with general pass & honours course students are its members.

The Association has completed all its formalities to make it register under the Govt. Act. It has already registered (Reg. No.- S/IL 29156). The Association charges nominal lifetime membership fees and with the collected amount required expenses are met. The Association had long road to go which leads to the development of the society and also to members associated.

ASSOCIATION'S MOTTO

- ▶ To spread the idea of brotherhood in the society and to help the society and when required.
- ▶ To make literate society by providing scholarships and various aids.
- ▶ To enhance culture and co-curricular activities by conducting various activities.
- ▶ To help the members in seeking jobs, placements and advancements.
- ▶ To develop scholarly attitude among themselves.
- ▶ To honour Scholarperson of Khejuri in every year.
